Mark for:

	Mounting Install		Lift System	Size		Material			Continuous Loop Options				Cordless Options		Special Comments / Options	
Qty	Inside	Outside	Continuous Loop or Cordless	Width*	Height	Style Name	Color Name	Color #	Chain Location (Left or Right)	Valance (Yes or No)	Valance Returns (Yes or No)	Standard or Reverse Roll	Valance** (Small, Large, None)	Standard or Reverse Roll	(i.e., Hold-Downs, Ext. Brackets, Special Chain Lengths, Special Valance Returns, etc.)	Retail Price

*Shades that exceed the maximum fabric width will automatically be railroaded (i.e., turned 90 degrees clockwise). If there are multiple size shades on an order, some requiring railroading, you may want to request they all be railroaded for a consistent look.

** Small valances are used on Cordless shades less than or equal to 45" in height; Large valances are used on Cordless shades greater than 45" in height. It is possible to substitute the large valance for the small.

Ship To Name and Address:

Ship Via (Circle One): **Next Day / 2nd Day / Standard**

(There will be an additional charge for expedited shipping)

Credit Card Number:

Type: **Expiration:**

Note: Cordless valance must be ordered the same time as the shade; not available with reverse roll shades.

A beautiful solution for challenges created by the sun.
