ONLY AT DSC WINDOW FASHIONS

**The only Cellular Roman Shade
on the market and with Hi-Tech
Elite Styles (patent pending), it's what you
don't see that counts...**

You don't see cords or other working parts...

You don't see fabric hems or fabric designs...

You don't see old fashioned wood headrails and pulleys!

We've said it before, but we've done it again...

**DSC Window Fashions
has created
THE FINEST
Fabric Shade
on the market!**

We have taken the high-quality, gorgeous presentation that Hi-Tech has always been and have added cellular properties for superior insulating value. Plus, we've tucked away cords and components for an unrivaled view from the outside.

This great addition, which we have named the Elite, is available on the Galaxy, Waterfall, Mirage, and Variett styles. Plus - you can still add the pleated shade behind the bottom hem to make any of those styles an Infinity!

When your customers get a look at this fantastic, clean-cut, problem-solving, home-beautifying and insulating fabric shade, their going to want the best - order your samples and price lists today and start building your profits with Hi-Tech Fabric Shades, an Elite line of products - only from DSC Window Fashions!
